WHO WE ARE

World Travellers Motueka are your professional travel provider with a team of experienced staff members who consistently provide outstanding service to New Zealand businesses that require recognised seasonal employers.

We currently look after **10 orchards** in the top of the South Island and are keen to expand our valued client base and ensure other businesses have access to our **negotiated Air New Zealand RSE arrangement**, that provides those requiring seasonal workers the opportunity to access certain benefits they might otherwise miss out on.

Phil - Managing Director | Alesha | Judith

My travel career spans over 14 years and I love the joy travel brings to our customers lives. I get a thrill out of bringing peoples dreams to life and creating a wonderful personalised holiday experience. I also specialise in group travel and assist a number of large sporting communities as well as our local Orchards with their RSE travel plus those special extended family holidays. I am also one of the Wedding and Honeymoon specialists and can assist with either an intimate affair or large scale wedding at your choice of destination.

Every day is always a new adventure and things are constantly changing, but most of all love the interaction with my clients. I've explored a lot of Australia, Fiji, Rarotonga, Vanuatu, Tahiti, Hawaii, Los Angeles/Anaheim and San Francisco, Vancouver with trip through the Rockies, Cruising the Alaska inside passage, Ireland, London and Tour through Europe - Germany, France, Switzerland, Netherlands, Austria, Italy, Malaysia, Singapore, Thailand and I now balance work with home and family life by job-sharing with Judith.

During this time I have found the service from Phil and his staff to be exceptional. Nothing is too much trouble and if last minute changes are required additional charges are minimal because of their relationship with the airlines.

I highly recommend World Travellers Motueka for all you travel requirements."
